

**VENTANA SELECT™ Series 86**  
**Sampling of Tilt/Turn Window Shapes**

Whether you're working toward a sleek contemporary design or striving to preserve historical accuracy, add interest to your project by utilizing custom architectural shapes. These fixed or operable units can be used alone or mulled to the standard configurations to create a wall of light or simply a focal point.

A wide variety of grid designs are available in a number of styles, colors and materials. Consult your sales representative for details.
